I don't recall receiving any communications in your initial document production to us. Please let me know if I am mistaken.

In particular and as quickly as possible, I need any communication to the Collateral Agent and I need to see the purported instruction from James Goodman to transfer the funds.

We are doing our best to resolve the objection to the settlement, but really need to get the facts right.

I think the Bank gave me everything they had as far as communications but I will talk to them about it again.
